STRATEGIES FOR TEACHERS OF STUDENTS WITH VISUAL IMPAIRMENTS

The New Jersey Commission for the Blind and Visually Impaired will hold its annual workshops for instructors who teach students who are blind or visually impaired. Instructors from the Commission will facilitate workshops for educators in conjunction with IDEIA Part-B funding. Look for registration information on our website in early September at www.cbvi.nj.gov.

Location: The Conference Center at Mercer Community College

Thursday, October 20, 2011 Workshops

OR

Friday, October 21, 2011 Workshops

Information to follow about specific workshops will follow. 4.5 Professional Development hours will be given at the end of each day for educators attending the workshop. Workshops are provided at no cost to participating school districts. Your CBVI instructor will assist participants in selecting the best workshop to attend for the student or students you are serving. For participants, lunch will be available at the school cafeteria or you may bring your own bag lunch. Food **may not** be brought into the building.
