To All Edison Daycare, Preschool Providers:

New Jersey State Law, effective September 1, 2008, requires ALL students who are in daycare, and/or preschool facilities, between the ages of 6 and 59 months of age are to have the seasonal flu vaccine

Between September 1, and December 31, EVERY YEAR

Flu season extends yearly until March 31

Therefore children ENROLLING in facilities between January 1, and March 31, each school year **are also required** to show proof of Flu Immunization.

Barring any shortage of vaccine, Students who have not received the flu vaccine by December 31st,

Must be excluded from school for the duration of Flu season
(Thru March 31st) or until they receive at least one dose of influenza vaccine.

Please be certain that this and all other Immunizations requirements are enforced in your daycare/childcare setting.

Any concerns or questions should be directed to the nurses at the Edison Health Department (732) 248-7285.
