The Summer Programs Administrative Staff reserves the right to limit the enrollment of each class/program/ camp on a first received, first enrolled basis. Edison residents will receive priority. Registering as soon as possible is recommended to assure a place in the class/camp you want and to protect against cancellation due to insufficient enrollment. No transportation is provided. Lunch and beverage are the responsibility of the parent.
**LATE PICK-UPS**
Please remember all children need to picked up on time! Two (2) late pick-ups may result in your child being dismissed from the program without a refund. Parents are responsible for picking up their children on time, even if arrangements are made through carpooling.

**VIDEOTAPING**
Edison School Network (ESN-118) will be visiting our Enrichment Program and Sports Camps to videotape our activities. A program will be produced and shown on Channel 118 during July and August. If you have an objection to your child being videotaped, please write a note to the Summer Programs office and give it to your child’s Enrichment/Activities teacher or sports coach.

**CONSTRUCTION PROJECTS**
Please be aware that summer construction projects may be taking place on school grounds, which could result in noise and smells. We make every effort to minimize student exposure. In addition, buildings are not air-conditioned, so please make sure that students are appropriately dressed.

**CONFIRMATION POLICY**
If you register online you will receive confirmation immediately that your registration was successful. If you register by mail, you WILL receive confirmation via e-mail from the Summer Programs Office by the third week of June. If a sports camp is cancelled due to lack of participation, we will attempt to give you 5 days notice of the cancellation.

Your child will receive his or her Enrichment class schedule (with room numbers) via e-mail. Your child’s class schedule will also be available at John P. Stevens High School on Monday, June 23rd, the first day of classes.
