Reading Tip of the Month

Tips for Preventing Summer Slide in Reading

1. **Choose just right books.** Make sure books are not too easy or too hard so that your child is engaged.
2. **Set goals with your child.** Depending on your child's age, you might want to aim for one book a week or an hour of reading time a day.
3. **Go to the library.** Public libraries have free or inexpensive summer programs and while you are there, have your child pick out some new books.
