Help feed the Makerspace Monster!

A makerspace is a dedicated area that provides hands-on, creative ways for students to design, experiment, and invent as they engage in science, engineering and tinkering.

Since September, we have been making small changes to our Library to transform it into a makerspace. The new furniture was purchased to provide ample space for students to collaborate and test their creations. Storage containers have also been purchased to store all the materials students could use when building.

Mrs. Golias, our Gifted and Talented teacher, has been introducing the concept of a makerspace to students by doing challenging engineering projects in the classrooms until the Makerspace is ready.

Please consider helping us bring our Makerspace to life by donating common household items to feed our "Makerspace Monster."

Empty, Washed Plastic Drink Mix Containers (Crystal Light, soda bottles, etc.)		Duct Tape
Cardboard (Cereal Boxes, Shoe Boxes, etc.)		Paper Towel Rolls
Caps from Bottles	Masking Tape	Felt
Lego bricks	Fabric	Balloons
Ribbon	Craft Sticks	Pipe Cleaners
Pom Poms	Feathers	Scissors
Q-Tips	Googly Eyes	Crayons
Rulers	Pencils	Construction Paper
Markers (Regular and Dry Erase)		Scotch Tape
Origami paper	Cotton Balls	Egg Cartons
Empty Water Bottles	Straws	Velcro
Embroidery Thread	Magazines	Clay
Rubber Bands	Newspapers	Clothes Pins
Cups (paper and plastic)	Glue Sticks	Toothpicks
Aluminum Foil	Coffee Filters	Animal Figurines
Glue	Science Kits	Waxed Paper
Ping Pong Balls	Marbles	

Feel free to send these items and your child can bring it down to the lobby to feed our Makerspace Monster. Your support is greatly appreciated.
