CLASS INFORMATION

We are preparing for our end of the year concert and learning some really neat and new songs! Some are classical, some fiddle and some are rock. The challenges of each new piece require practice to perfect each skill. Keep trying your best!

REMINDERS

Remember to bring your folder, your book and a pencil to each lesson. Each new song given to you is the only one you will receive, so please do take good care of it and store it away in a folder!

IMPORTANT DATES

1st year orchestra
