

Buddies!

Buddies are most important to the organization. The buddies are individuals age 12 years and older who volunteer to provide assistance, guidance, and encouragement to the players. These buddies are always needed to assist our athletes with special needs.

The Elks, Edison PBA Local 75, Edison Boys Baseball and other local area groups also support our efforts in various ways, assisting with facilities, sportswear, volunteering, as well as providing financial support.

Buddy Ball of Edison means so much to so many because it is a mutually rewarding endeavor for both players and supporters.

If you are interested in getting involved in a *fun-tastic* community service, please write to

Buddy Ball of Edison

6 Lench Avenue
Edison, NJ 08820

For our current event:
