**Serving: James Madison Primary School, Martin Luther King Elementary School,
Woodbrook Elementary School**

The Kindergarten Extended Day Program compliments Edison public school's half-day Kindergarten classes, morning and afternoon sessions. YMCA staff members will ensure your child's safety on board a school bus which will transport your child to and from his/her elementary school. Our Kindergarten teacher will create interesting and interactive lessons that supports New Jersey State Standards for Kindergarten Curriculum. In addition to planned academic lessons students will receive a variety of enrichments, including STEM activities, music lessons, playground fun and arts and crafts scheduled throughout the week. Lunch options are available and meet healthy eating and physical activity standards!

**We have options for all your family needs. Packages
available to care for your child from 7am to 7pm**
