## Beginning of School

We started the school year with many get to know you activities. Students needed to interact with each other, read and write, and create pieces to share and display. The season of Fall was introduced with the skill of main idea and details. There was reading, writing, group work, and large group discussion. In October, students will learn more about Diwali and Halloween.

## Parent Information

There will be an ESL Parent Meeting on October 22, 2019 at 9:30 AM in the multi-purpose room. Translators are welcome. Please don't forget to bring ID.

## Next Month

In November, the students will learn more about letter writing and Thanksgiving. Then they will choose someone who works at JMI and write a thank you note to them.
