## What is PTSO?

For those who are not familiar with the PTSO, it's a nonprofit organization which consists of parents, teachers, and students working together to improve the educational experience for all students. We sponsor various events throughout the year such as Scholarships, Garba, College Counselling, Coaching, College Placement Tests, Q&A sessions, Project Graduation event and much more. We work hard to make the school year very exciting and enjoyable for students, parents and teachers. We have general PTSO meetings once a month to discuss events, plan fundraisers to enhance all programs, and share ideas. We are looking forward to meeting parents who would like to get involved with the PTSO. It is a wonderful way to find out what is happening at JPS. Our first meeting will be held on Thursday September 12th, 2019 at 7:30pm in the JPS library. Please consider helping in any way that fits your schedule. Many hands make the job easier. We need your help, and so do your child(ren), in order to succeed.

We look forward to getting to know you this year! Again, welcome back and have a great year!

Sincerely,
