

FREE \$\$\$ for our schools

The Stop & Shop A+ program will give cash to our schools if you shop there!
Each time you make a purchase at their store, our schools earn money!

Even a small purchase such as loaf of bread, or a drink, means extra cash for the schools at no cost to you, if you **scan your store card when you pay.**

You **MUST** register your Stop & Shop store card in order for the schools to benefit. You can go online at www.stopandshop.com/aplus, or **we can do that for you !!**

Simply enter the 13 digit number from the back of your Stop & Shop store card and your last name below and we will do the rest!

You can also email the information or any questions to **APLUSEDISON@gmail.com**

Even if you "think" you registered your card, feel free to send us the info again. We'll check it for you. This opportunity from Stop & Shop is too good to pass up!
THANK YOU for helping to earn free cash for our schools!
