Violence & Vandalism Report

The Violence and Vandalism Report for the 2018-2019 school year has been submitted to the State Department of Education utilizing the New Jersey Department of Education web-based electronic reporting system. This report indicates the number of violence and vandalism incidents reported by each of our schools. Under the federal No Child Left Behind Act, the New Jersey Department of Education utilizes the most current data available from the Electronic Violence and Vandalism Reporting System to identify persistently dangerous schools on or before July 31st of each year.

A summary report of incidents of violence, vandalism and substance abuse for the 2018-2019 school year, which has been reported to the New Jersey Department of Education, is annexed hereto. This is the fourteenth year in which incidents and suspensions have been reported utilizing the web-based electronic reporting system.
