

# CANVAS PARENT APP

# CANVAS PARENT APP LAUNCH

- Mobile app that provides visibility into students' learning in Canvas
  - Available in iTunes (iPhones, iPads)
  - Available in Google Play (Android Devices)
- Parents can:
  - View assignment descriptions and due dates
  - Set reminders for assignments
  - View assignment grades
  - View course grades
  - Set grade alerts
  - View course announcements

# EXPECTATIONS

- Does not replace grade book and Parent Portal
- Only reflects assignments, assessments, and activities administered via Canvas
  - Teachers may assign additional offline assignments or assignments in other platforms
- Heavy use of Canvas in grades 3-5
- More use for ELA/SS and Science for grade 2, but slightly less for math because of work in MIF than grade 3-5
- Limited use in grades K & 1 because more paper-based or hands-on assessments and activities

# VIEW STUDENT COURSES & GRADES

- Access to multiple students in one setting
- Toggle between all students registered to Canvas
- Quickly and easily view all courses and current average of any grades posted to Canvas
- View individual assignment or assessment grades as soon as grade is assigned

- See all courses in one screen
- Quick view of grades in all graded Canvas assignments/assessments
- Easily click on a course for more details

The screenshot displays a user profile for Jessica Doe in a Canvas LMS interface. The profile header is purple and features three circular icons: a floral pattern, a grey silhouette, and a panda. Below the icons, the name "JESSICA DOE" is displayed. To the right of the name is a gear icon for settings. Below the name are three navigation buttons: "COURSES" with a book icon, "WEEK" with a calendar icon, and "ALERTS" with a bell icon. The main content area lists four courses with their respective grades:

- Intro to Communications**  
Comm 1010  
No Grade
- Intro to Interpersonal Communications**  
Comm 1020  
No Grade
- Marketing 101**  
M-101

# WEEK AT A GLANCE

- See all assignments and activities scheduled to a course
- Search calendar within a course to see upcoming activities
- Easily view status of assignments and assessments and grades of assignments
- Click on assignments to see assignment details and to set reminders to help guide students

- Quick calendar view allows parents to see all upcoming or past assignments and status of each assignment.

Set Reminder

Please refer to the class [Video \(Links to an external site.\)](#) for a recap of what we covered. You can also find some additional assistance from our textbook's website at this [Link \(Links to an external site.\)](#).

For this assignment you will use the Quizlet flashcard deck embedded below and [linked here \(Links to an external site.\)](#). As you are progressing please write down your answers on a piece of paper. After you have completed the deck, submit the largest and smallest answer you have from the set as a text response for this assignment.

Seems easy? It is, I want to encourage you to practice your square roots now as they will come in handy later!

# SET NOTIFICATIONS

- Choose how you are notified:
  - Alerts when students score a certain grade
  - Set reminders for upcoming assignments/assessments
  - Get notifications of course announcements
- Set different notifications for each student
- Parents control frequency of communication
- Alerts are automatically sent to mobile device

# NEXT STEPS

- Instructions on how to access and set up Canvas Parent App will be sent via the Parent Portal to all parents grades K-5 on Oct. 20
- Parent App is continually being improved by Canvas and they seek feedback
- Feedback on the app can be sent to Assistant Superintendent, Tara Beams at [tara.beams@edison.k12.nj.us](mailto:tara.beams@edison.k12.nj.us)
- To learn more about the Canvas Parent App, view this video demo at: <https://www.youtube.com/watch?v=BnRzAOezZ4Q>
