

Congratulations to the September Seniors of the Month,

Nina D'Amiano and Tarun Masimikko!

The Edison Rotary joins us in Honoring Nina and Tarun for their academic success, good character, and community service.

Nina is the 1st Vice President of Student Council and President of Science National Honor Society. She is a soccer player and a member of Odyssey of the Mind. In addition to serving as a JPS Mentor, she volunteers at the JFK Hartwyck Rehabilitation center, Fair Oaks Health Center, North Edison Library, and St. Francis Cathedral.

Tarun is the Mechanical Captain for the Robotics team and a member of the Volleyball team. He is the Vice President of Projects for Enterprise Organization and is a research intern at the NJIT Civil and Environmental Engineering Labs (doing research on photocatalytic hydrogen production and using nanoparticle to harvest algae for biofuels). Tarun is a JPS Mentor and is a volunteer coach at the Minnie B Veal Community Center.

Both students maintain a positive attitude and put forth great effort in everything they do.

Congratulations Nina and Tarun!!!
