February 17, 2021

Dear School Community,

The latest weather forecast calls for a significant amount of snow beginning tomorrow morning into possibly Friday. With an overabundance of caution, we are asking that all of our employees work from home tomorrow, February 18, 2021. With students already participating in a totally remote setting, we do not need to change programming or cancel tomorrow's instructional day, which should proceed as usual.

Our maintenance, custodian and grounds staff will report for work as they normally would on an inclement weather day.

Sincerely,

A handwritten signature in blue ink that reads "Bernard F. Bragen Jr." The signature is written in a cursive style.
