3. The Board of Education intends to award a contract for transportation as soon as possible after the date set for the opening of bids and to require the successful contractor to provide transportation in accordance with the school calendar. The attached school calendar is part of these specifications and of the contract.
4. The successful bidder is considered an independent contractor and is not an agent, servant, employee, or representative of the board of education.
5. As authorized by the district board of education, only enrolled eligible public and private school students, adults serving as chaperones or school personnel can be transported. The vehicle(s) assigned to the routes specified herein cannot be utilized for other purposes during the time periods designated by the route descriptions.
